

- 1 You have until **Tuesday, December 5, 2023 (11:59PM Anywhere on Earth)** to (optionally) respond to the reviews.
 - 2 You must submit a single response that addresses all reviews (not one response per review). The author response is
 - 3 limited to a **single page** in PDF format, including all figures, tables, and references, and has to use the AISTATS “author
 - 4 response” style that accompanies this `tex`-file. You may not alter this style file; in particular, you may not change
 - 5 the paper size, font, font size, or margins. Moreover, author responses must not contain external links, and must be
 - 6 **anonymized**.
 - 7 Please focus your response on either answering specific questions raised in the reviews or correcting any misunder-
 - 8 standing or factual errors in the reviews.
 - 9 You can change your response as often as you like until the above deadline. Please note that **this deadline is strict** and
 - 10 we encourage you to submit your response early so as to avoid technical issues. Please be aware that the deadline is
 - 11 **11:59PM Anywhere on Earth**.
 - 12 To include a figure in your response, the following LaTeX code is a possible solution:
- ```
13 \begin{minipage}[b]{0.3\linewidth}
14 \includegraphics[width=\linewidth]{path_to_figure}
15 \captionof{figure}{figure_caption}
16 \end{minipage}
```
- 17 For submissions without a reproducibility checklist, a separate document containing the checklist only is allowed.
  - 18 Please refer to the AISTATS 2024 submission template for the reproducibility checklist. In such case please upload both
  - 19 the author response and the reproducibility checklist either in the same document or in a zip file containing 2 pdf files.
